# “Believe, Persevere, Achieve!”

It is once again, that time of year! June in an elementary school is always busy with lots of events happening. Our Grade 3 and 6 students will be taking part in the annual EQAO assessment which will be significantly different this year as they will be using their Chrome-books to access and complete the assessment.

Students in Grades 4-8 recently participated in our Area Meet in May and we congratulate Jaelynn, Kimora and Alana who will be taking part in our Regional Track and Field Day on Wed Jun 14th @ Oshawa Civic. Best of luck in competing with some of Durhams top athletes.

Our Grade 8 students have continued with their fundraising efforts, selling freezies in this warmer weather and proceeds going towards their graduation trip on June 20th. Thank you for your continual support! Grade 8 students will be graduating this year on Thursday, June 22nd in our celebration ceremony at G.L. Roberts and at Lakewoods. We look forward to seeing our graduates celebrate their elementary school career at Lakewoods PS that evening with staff and family.

I am so very impressed with the Lakewoods Public School community! I continue to be pleased and proud of our amazing students. I would also like to thank all of the students and families of our amazing school by the lake, for an incredible year. I would also like to thank the incredible staff of Lakewoods who work tirelessly to ensure the time your child spends here is engaging, educational, and memorable. They are an amazing group of educators who care deeply about each and every student.

Excited that Lakewoods will be hosting 2 summer school programs this year. Please check your email for Program applications. Remember that students can and should, continue their studies over the summer by reading each and every day. This will help them to develop lifelong habits that will improve and refine the skills they have developed throughout the school year. This will also help them to get off to a great start next September.

Wishing everyone a safe and enjoyable June! Mr. Bozanis, Principal
