# “Believe, Persevere, Achieve”

Is it spring already? Just waiting for the spring weather and temperatures! Please remember that with the warmer weather, the field and paths around the school get muddy, so please remind children to dress appropriately and to stay out of the mud. Great idea to have an extra pair of socks in their backpack! Also, spring means that water levels often rise so remind children to be safe around rivers, marshes, and lakes as the spring weather can make water unsafe.

Our character education assemblies have been successful and we thank Ms. Marino and Mr. Mortley for their work in coordinating this. Students are loving the monthly slide show! March’s character trait was Respect and the trait for April is Honesty.

Our Grade 8’s are planning our Spring themed Fundraiser, which will take place Fri April 26th for all classes to participate. [Log in to School Cash online](#) to purchase a ticket, and a mystery bag or keep an eye out for the cash order forms. Looking forward to a great event and thank you for your support.

It is Kindergarten registration time and we ask if you or someone you know has a child who will turn 4 in 2024 to [register](#). The amazing team here at Lakewoods is planning a Great Beginnings Kindergarten event on thur May 16th to welcome our newest members of the Lakewoods community.

As always we thank you for being our partner in your child’s education and we look forward to seeing families at the garden clean up on April 20<sup>th</sup>

A. Brown
