## “Believe, Persevere, Achieve”

Is it spring already? We have had a great year so far and spring weather and temperatures are in the air! Please remember that with the warmer weather, the field and paths around the school get muddy, so please remind children to dress appropriately and to stay out of the mud. Also, spring means that water levels often rise so remind children to be safe around rivers, marshes, and lakes as the spring weather can make water unsafe.

We continue to have virtual character education assemblies and we thank Mr. Mortley for his work in coordinating this. March's character trait was Respect and the trait for April is Honesty. Our Grade 8's have planned the Lakewoods Beach Themed Fundraiser, which will take place on Thursday, April 14th for all classes to participate. [Log in to School Cash online](#) to purchase a ticket, a treat, and a glow stick, or keep an eye out for the cash order forms. Looking forward to a great event!

It is Kindergarten registration time and we ask if you or someone you know has a child who will turn 4 in 2022 to [register](#). The amazing team here at Lakewoods is planning a Great Beginnings Kindergarten event to welcome our newest members of the Lakewoods community.

Finally, I would like to say that it is incredible that we are more than 7 months into this unique and memorable school year. As always we thank you for being our partner in your child's education.

## Immunizations—New Procedures available

Every time your child gets immunized you need to report it to Durham Region Health Department.

For the upcoming school year, an ISPA Reminder letter will be mailed directly to students in late February/Early March. This year, only one ISPA Reminder letter will be provided. Students will **not** be at risk for suspension for overdue immunizations. Parents should follow-up with their healthcare provider when available, as we currently do not have any immunization clinics scheduled at this time. Parents will be able to submit immunization records online at [www.durham.ca/immunize](http://www.durham.ca/immunize). If parents have any questions regarding submitting records online, please call the Immunization program at 905-666-6242.

Thank you for completing Daily School Screening
