“Believe-Persevere-Achieve”

Welcome to 2020! On behalf of the entire staff at Lakewoods we hope everyone enjoyed their holiday season with family and friends and we wish you all a Happy New Year. Now that the new year is here we look forward to continuing to work as partners to support your child’s education.

Our Believe-Persevere-Achieve motto is something we continue to encourage students to live. We ask students to always believe in themselves and their ability to be successful. Students also need to persevere and keep trying hard even when things are challenging. We know when they do these things they will achieve academic excellence!

We thank you for continuing to be our partners and helping to deliver these messages to our students. We know that by working together we will continue to create a school environment that ensures all students can be their best selves and grow up to be a wild success.

There are many events happening over the next month at Lakewoods – please check our website www.ddsb.ca/school/lakewoods for weekly updates and links to important information.

Kindergarten Registration begins January 13th @ 4pm

DDSB online registration system is soon available for students turning 4 years of age on or before December 31st, 2020. For families who do not have access to a computer, please visit the school for online access.

Great Beginnings—Getting Reading for Junior Kindergarten

If you have a child who will be attending Lakewoods PS for Junior Kindergarten this fall, please consider enrolling in a new program for *Getting Ready for Kindergarten*. This is a free program and designed to help our new JK's get ready for the exciting routines of Kindergarten.

Further information with dates and times to come!

School Community Council

Thank you to our families for using school cash online when ordering Pizza. This allows us to have a good estimate for placing orders in advance. Our next pizza day is January 10th and 24th.

Interested in joining Lakewoods SCC—please contact Kristen—Kristen_mckinnon@yahoo.ca

Sporting Events

A few activities continuing and starting up @ Lakewoods. Mr. Hayes has kicked off his afterschool Intermediate Badminton club this week—If you have not signed up, please see Mr. Hayes in room 201.

Mr. Yellapa and Mr. Mortley have been practicing with our Intermediate Basketball players getting ready for the upcoming season. Playdowns for girls is week of Feb 3-7th and for boys Feb 10-14th. Qualifying teams will continue in the crossover, sweet 16, Elite 8, Final 4 and Championship final on Thur Feb 27th.

Ms. Campbell and Mr. Teoh have been practicing during lunch with our Junior students in preparation for April area playdowns! Great to see everyone working hard—keep it up!

Mr. Mortley has the intermediate Coed dodgeball team participating in a tournament Tue Jan 14th—and our junior Coed dodgeball will be attending Vincent Massey on Feb 18th.

Thank you!

Lakewoods would like to thank our families and staff members for their contribution to our Holiday food drive and holiday support.

Thank you to Rotary Club of Oshawa, McNairn Packaging, Parmac Marketing, Woodbridge Foam, Pilkington Glass, Best Buy, Disney, Lefurgey's luncheon group and the GM employees for their generosity this year in helping some of families have a special holiday!

Tech Ed @ GL Roberts is open to our parents/guardians of Lakewoods PS.

GL ROBERTS C.V.I. | School Community Council Invites YOU!

| PARENTS/GUARDIANS OF GRADE 9-12 STUDENTS | WED. FEB 19, 2020 | 6-8PM

Tech Ed with the SCC

The members of the School Community Council (SCC) invite parents/guardians to join us on **Wednesday February 19th**, from **6-8pm** for our **Technology in Education Information Night**. Our goal is to have open communication with parents about the technologies that we use in our classrooms, and that our students use as a tool for their learning and success.

We are pleased to offer a keynote speaker, 3 breakout sessions and a Q&A period.

One of our breakout sessions will include an introduction to Google Classroom and Google Drive. You will be able to hear from students and staff about this learning platform and experience navigating the virtual classroom.

Our final breakout session includes a discussion on digital citizenship and how students and parents can participate in developing positive experiences with the online/digital world. Responsible usage, safety and self-regulation strategies will be the focus of our conversation.

D2L

Another breakout session focuses on D2L, or Desire to Learn. This platform is used by some teachers as a tool for learning within their classroom. Additionally, this is the program used for students who choose to enroll in online courses.

Our evening begins with our keynote speaker, Christopher Warren. The topic of his presentation will be Technology in Education. Chris was recently featured as a speaker, at our TedEx symposium hosted by G.L. Roberts, this past November.

Big Drum Social

Come out and enjoy traditional drumming, singing, dancing and storytelling, as well as craft activities for children and youth. Attendees will have the opportunity to sample traditional foods, visit a variety of craft vendors and gather information about community and agency support for Aboriginal people in Durham Region. **This is a Free event!**

Honorarium for dancers in full regalia.
