“Believe, Persevere, Achieve!”

It is once again, that time of year! June in an elementary school is always busy with lots of events happening. Our Grade 3 and 6 students will be taking part in the annual EQAO assessment which will be significantly different this year as they will be using their Chromebooks to access and complete the assessment. Students in Grades 4-8 will be taking part in our school-based Track and Field Day on Friday, June 17th. Our Grade 8 students have continued with their fundraising efforts, selling freezies, popcorn, cookies, and ice cream sandwiches. Their fundraising efforts started earlier in the year to help them raise funds for their graduation trip. This year our graduates are venturing downtown to take in the sights and attend the Toronto Blue Jays game against the Baltimore Orioles.

Our Grade 8 students will be graduating this year on Wednesday, June 22nd in our celebration ceremony at G.L. Roberts and at Lakewoods. We look forward to seeing our graduates celebrate their elementary school career at Lakewoods PS that evening with staff and family.

I am so very impressed with the Lakewoods Public School community! As I come to the end of my first year as the Principal of Lakewoods PS, I am so pleased and proud of our amazing students. I would also like to thank all of the students and families of our amazing school by the lake, for an incredible year. I would also like to thank the incredible staff of Lakewoods who work tirelessly to ensure the time your child spends here is engaging, educational, and memorable. They are an amazing group of educators who care deeply about each and every student.

Remember that students can and should, continue their studies over the summer by reading each and every day. This will help them to develop lifelong habits that will improve and refine the skills they have developed throughout the school year. This will also help them to get off to a great start next September.

Wishing everyone a safe and enjoyable June! Mr. Bozanis, Principal

Join us for Summer Camps! July and August

- In-person and virtual camps available
- Female mentors engage with campers in our "Girls only" camps
- Camps encourage shared interests in science, technology, and the environment
- Campers make use of STEM-based technology and equipment to develop valuable skill-sets relevant in today's globally connected world
- Camp sessions include hands-on activities and incorporate curriculum-based learning
- Counsellors are university staff, industry experts, Faculty of Education students, graduates, or members of the Ontario College of Teachers

Coding & Gaming camps* *Popular!*

From Minecraft, to coding, to artificial intelligence (AI), campers learn and expand coding and programming skills while exploring robotics, gaming, and virtual reality or AI systems. Campers' watch their visions come to life!

Engineering & Math camps

Hands-on activities, design challenges and simulations promote an understanding of how engineering and math are useful to build a better society. Campers meet industry professionals from varying engineering disciplines. Discover The Future of Engineering Technology *(New!)*

Family camps

Bring the whole family! Family members learn alongside children. Topics include outdoor family fun, STEAM, Minecraft, coding, gaming and robotics. **BONUS:** Campers receive activities and resources for home use.

LEGO®, Robotics & Technology camps* *Popular!*

Explore, design, and innovate! Campers tackle hands-on challenges to build self-confidence, strengthen problem-solving skills and deepen skillsets.

*New! Science camps

Become a scientist! In these inquiry-based programs designed for the curious camper, campers explore nature, technology and science in everyday lives.

STEAM camps*

Imagine and explore! Campers discover the intersection of Science, Technology, Engineering, Art and Math through hands-on challenges, explorations, experiments, and outdoor adventures!

Turtle Island camp

Campers uncover and explore the relationship between Indigenous peoples and the land to better understand their responsibility as stewards of the environment.

**New in-person camps and/or girls only camps available*

In-person camps

Offered at Ontario Tech University
2000 Simcoe Street North, Oshawa
9 a.m. to 4 p.m.
Supervised extended care available for an additional fee
Times: 8 to 9 a.m. and 4 to 5 p.m.

Virtual camps

Camps meet using Zoom
Camps run weekdays for 2 hours

Great Beginnings - Kindergarten

Kindergarten Registration is still open for students that turn 4 years of age by Dec 31, 2022. Please visit our website for registration to ensure your child is placed for start of Sept 2022.

<https://www.ddsb.ca/en/our-schools/register-for-school-registering-for-kindergarten.aspx>

Thank you to our families that have completed their registration and returned the required documentations for our review. Please ensure you are checking our Great Beginnings Orientation Info that is posted on our website under NEWS.

Communication/Updates

As we continue to work through these unusual times, it is very important that families continue to monitor email communications over the summer months.

Please ensure you check your email regularly (including junk file) and for organizational purposes consider having a "DDSB" file folder for quick reference to your child's information.

Our annual [Parent Portal](#) information will be required at the end of August. Contact the office in June if you need verification of your username/passwords.

Please consider visiting our [Lakewoods website](#) and follow our [Lakewoods twitter](#) account for further updates.

Durham Continuing Education—Summer School

Visit [Durham Continuing Education](#) (DCE) for summer school options.

SMILE/SMILE-e Program (In Person OR Synchronous/Real Time) - Elementary

Summer Meaningful Innovative Learning Experience (SMILE) is an in person or online synchronous/real time program for students who have completed grade 6, 7, or 8 in the previous school year. The program teaches students science, technology, engineering, art, and mathematics. Students will expand and build on the information learned in the previous school year. Students entering grade 9 will have an opportunity to prepare for the new de-streamed curriculum. The expectation is that students are in class or online during class time from 8:30 AM to 2:00 PM, Monday to Friday.

SMILE/SMILE-e Program Information & Dates - Registration closes June 29, 2022, 11:59 AM (EST)

Dates to Remember

| | |
|---------------|-----------------------------|
| Jun 3rd | PA Day—no school |
| Jun 8th-10th | Grade 6 EQAO |
| Jun 14th-16th | Grade 3 EQAO |
| Jun 16th | Grade 8 Grad Trip |
| Jun 17th | Track & Field Gr4-Gr8 |
| Jun 16th | Great Beginning last day |
| Jun 22nd | Grade 8 Graduation @ 6:30pm |
| Jun 23rd | Kindy Celebration @ 1pm |
| Jun 29th | Last Day dismissal 3:10pm |
