“Believe-Persevere-Achieve”

It's amazing to think that it is March already. This school year continues to fly by. Our Leopards Leaders Student Leadership group continues to make us proud by contributing to leadership assemblies and The Huddle Up anti-bullying campaign etc.

This month's character trait is INTEGRITY. We are certainly proud of our Lakewoods students when they do the right thing because it is the right thing to do. We continue to receive compliments from supply teachers, and presenters about the amazing students at Lakewoods PS. I think that one reason for this is the strong partnership that we have between school and home. We thank you for this as we know that kids do best when the school and home work together. We thank you for encouraging your children to show integrity at home and at school.

March break begins on Friday March 13th. There is no school that day and classes will begin again on Monday March 23rd. As always students are encouraged to read and or write each day and practice their number facts to ensure that they can hit the ground running when we return after the break. I always tell people how VERY proud I am to be the Principal of Lakewoods PS.

If you ever have any questions or concerns please don't hesitate to give me a call.

Parking Lot Safety

Parking cars and dropping off children continue to be a safety issue. Lakewoods Public School is a community school and we encourage students to walk to school. Thank you to our families that continue to respect our community members by following courteous driving/parking guidelines. Drivers are reminded that you must park your vehicle in an authorized parking space and that the circular driveway and front lot is not for stopping or parent parking.

If you must drive your child to school or pick up your child at the end of the day, please consider meeting the student on Sauble St. or Sharbot St.

PLEASE DO NOT PARK IN THE CIRCULAR DRIVEWAY OR ALONG THE DRIVEWAY ENTRANCE
